CHAPTER 2

ALIGNMENT OF THE AGREEMENT WITH LEGAL ACTS OF THE UNION

ARTICLE 4

Participation in the drafting of legal acts of the Union ("decision shaping")

1. When drafting a proposal for a legal act of the Union in accordance with the Treaty on the Functioning of the European Union (hereinafter referred to as "TFEU") in the field covered by the Agreement, the European Commission (hereinafter referred to as the "Commission") shall inform Switzerland thereof and shall informally consult Switzerland's experts in the same way that it asks for the views of experts from the Member States of the Union for the drafting of its proposals.

At the request of either Contracting Party, a preliminary exchange of views shall take place within the Joint Committee.

The Contracting Parties shall consult each other again, at the request of either of them, within the Joint Committee at important moments of the phase preceding the adoption of the legal act by the Union, in a continuous process of information and consultation.

2. When preparing, in accordance with the TFEU, delegated acts concerning basic acts of Union law in the field covered by the Agreement, the Commission shall ensure that Switzerland has the widest possible participation in the preparation of the drafts and shall consult Switzerland's experts on the same basis as it consults the experts of the Member States of the Union.
3. When preparing, in accordance with the TFEU, implementing acts concerning basic acts of Union law in the field covered by the Agreement, the Commission shall ensure that Switzerland has the widest possible participation in the preparation of the drafts to be submitted later on to the committees assisting the Commission in the exercise of its implementing powers and shall consult Switzerland's experts on the same basis as it consults the experts from the Member States of the Union.
4. Switzerland's experts shall be involved in the work of committees not covered by paragraphs 2 and 3 where this is required for the proper functioning of the Agreement. A list of those committees and, where appropriate, of other committees with similar characteristics, shall be drawn up and updated by the Joint Committee.
5. This Article shall not apply with regard to legal acts of the Union or provisions thereof falling within the scope of an exception referred to in Article 5(7).

ARTICLE 5

Integration of legal acts of the Union

1. In order to guarantee legal certainty and the homogeneity of the law in the field related to the internal market in which Switzerland participates by virtue of the Agreement, Switzerland and the Union shall ensure that legal acts of the Union adopted in the field covered by the Agreement are integrated into the Agreement as quickly as possible after their adoption.
2. Switzerland shall adopt or maintain provisions in its legal order with a view to achieving the result to be attained by the legal acts of the Union integrated into the Agreement in accordance with paragraph 4 subject, as the case may be, to the adaptations decided upon by the Joint Committee.
3. When it adopts a legal act in the field covered by the Agreement, the Union shall inform Switzerland thereof as quickly as possible through the Joint Committee. At the request of either of the Contracting Parties, the Joint Committee shall conduct an exchange of views on the subject.
4. The Joint Committee shall act in accordance with paragraph 1 by adopting a decision as quickly as possible to amend Annexes 1, 3, 4 and 7 to the Agreement, including the necessary adaptations.
5. Without prejudice to paragraphs 1 and 2, if necessary in order to ensure coherence of the Agreement with its Annexes as amended pursuant to paragraph 4, the Joint Committee may propose, for approval by the Contracting Parties according to their internal procedures, the revision of the Agreement.

6. References in the Agreement to legal acts of the Union that are no longer in force shall be construed as references to the repealing legal act of the Union as integrated into Annex 1 to the Agreement as from the entry into force of the Joint Committee's decision on the corresponding amendment of the Annex to the Agreement pursuant to paragraph 4, unless otherwise provided in that decision.

7. The obligation set out in paragraph 1 shall not apply to legal acts of the Union or provisions thereof falling within the scope of the following exceptions:

- Article 7(3) of the Agreement,
- Article 14 of the Agreement,
- Article 15 of the Agreement,
- Article 20 of the Agreement,
- Article 24a of the Agreement,
- Article 32a of the Agreement,
- Article 40 of the Agreement,
- Article 42 of the Agreement.

8. Subject to Article 6, decisions of the Joint Committee pursuant to paragraph 4 shall enter into force immediately, but under no circumstances before the date on which the corresponding legal act of the Union becomes applicable in the Union.

9. The Contracting Parties shall cooperate in good faith throughout the procedure set out in this Article in order to facilitate decision-making.

ARTICLE 6

Fulfilment of constitutional obligations by Switzerland

1. During the exchange of views referred to in Article 5(3), Switzerland shall inform the Union whether a decision as referred to in Article 5(4) requires the fulfilment of constitutional obligations by Switzerland in order to become binding.

2. Where the decision referred to in Article 5(4) requires Switzerland to fulfil constitutional obligations in order to become binding, Switzerland shall have a time limit of two years maximum from the date of the information provided for in paragraph 1, except where a referendum procedure is launched, in which case this period shall be extended by one year.

3. Pending the information by Switzerland that it has fulfilled its constitutional obligations, the Contracting Parties shall provisionally apply the decision referred to in Article 5(4), unless Switzerland informs the Union that the provisional application of the decision is not possible and provides the reasons for this.

Under no circumstances can the provisional application occur before the date on which the corresponding legal act of the Union becomes applicable in the Union.

4. Switzerland shall notify the Union without delay through the Joint Committee once it has fulfilled the constitutional obligations referred to in paragraph 1.

5. The decision shall enter into force on the day on which the notification provided for in paragraph 4 is delivered, but under no circumstances before the date on which the corresponding legal act of the Union becomes applicable in the Union.

CHAPTER 3

INTERPRETATION AND APPLICATION OF THE AGREEMENT

ARTICLE 7

Uniform interpretation principle

1. For the purpose of achieving the objectives set out in Article 1 and in accordance with the principles of public international law, the bilateral agreements in the fields related to the internal market in which Switzerland participates and the legal acts of the Union to which reference is made in such agreements shall be uniformly interpreted and applied in the fields related to the internal market in which Switzerland participates.

2. The legal acts of the Union to which reference is made in the Agreement and, to the extent that their application involves concepts of Union law, the provisions of the Agreement shall be interpreted and applied in accordance with the case law of the Court of Justice of the European Union, prior or subsequent to the signature of the Agreement.

ARTICLE 8

Effective and harmonious application principle

1. The Commission and the competent Swiss authorities shall cooperate and assist each other in ensuring the surveillance of the application of the Agreement. They may exchange information on the activities of surveillance of the application of the Agreement. They may exchange views and discuss issues of mutual interest.
2. Each Contracting Party shall take appropriate measures to ensure the effective and harmonious application of the Agreement on its territory.
3. The surveillance of the application of the Agreement shall be carried out jointly by the Contracting Parties within the Joint Committee.

If the Commission or the competent Swiss authorities become aware of a case of incorrect application, the matter may be referred to the Joint Committee with a view to finding an acceptable solution.

4. The Commission and the competent Swiss authorities respectively shall monitor the application of the Agreement by the other Contracting Party. The procedure provided for in Article 10 applies.

To the extent that certain surveillance competences of the institutions of the Union as regards one Contracting Party are necessary to ensure the effective and harmonious application of the Agreement, such as investigation and decision powers, the Agreement must foresee them specifically.

ARTICLE 9

Exclusivity principle

The Contracting Parties undertake not to submit a dispute regarding the interpretation or application of the Agreement and of the legal acts of the Union to which reference is made in the Agreement or, where applicable, regarding the conformity with the Agreement of a decision adopted by the Commission on the basis of the Agreement to any method of settlement other than those provided for in this Protocol.

ARTICLE 10

Procedure in the event of difficulty of interpretation or application

1. In the event of difficulty of interpretation or application of the Agreement or of a legal act of the Union to which reference is made in the Agreement, the Contracting Parties shall consult each other within the Joint Committee in order to find a mutually acceptable solution. To this end, all useful elements of information shall be provided to the Joint Committee to enable it to make a detailed examination of the situation. The Joint Committee shall examine all possibilities that allow the proper functioning of the Agreement to be maintained.
2. If the Joint Committee is not able to find a solution to the difficulty referred to in paragraph 1 within three months of the date on which the difficulty was submitted to it, either of the Contracting Parties may request that an arbitral tribunal settle the dispute in accordance with the rules laid down in the Appendix.
3. Where the dispute raises a question concerning the interpretation or application of a provision referred to in Article 7(2), and if the interpretation of that provision is relevant to the settlement of the dispute and necessary to enable it to decide, the arbitral tribunal shall refer that question to the Court of Justice of the European Union.

Where the dispute raises a question concerning the interpretation or application of a provision that falls within the scope of an exception from the dynamic alignment obligation referred to in Article 5(7), and where the dispute does not involve the interpretation or application of concepts of Union law, the arbitral tribunal shall settle the dispute without referral to the Court of Justice of the European Union.

4. Where the arbitral tribunal refers a question to the Court of Justice of the European Union pursuant to paragraph 3:

- (a) the ruling of the Court of Justice of the European Union shall be binding on the arbitral tribunal; and
- (b) Switzerland shall enjoy the same rights as the Member States and the institutions of the Union and shall be subject to the same procedures before the Court of Justice of the European Union, *mutatis mutandis*.

5. Each Contracting Party shall take all measures necessary to comply in good faith with the arbitral tribunal's decision.

The Contracting Party that has been found by the arbitral tribunal not to have complied with the Agreement shall inform the other Contracting Party through the Joint Committee of the measures it has taken to comply with the arbitral tribunal's decision.

ARTICLE 11

Compensatory measures

1. If the Contracting Party that has been found by the arbitral tribunal not to have complied with the Agreement does not inform the other Contracting Party, within a reasonable time period set in accordance with Article IV.2(6) of the Appendix, of the measures it has taken to comply with the arbitral tribunal's decision, or if the other Contracting Party considers that the measures communicated do not comply with the arbitral tribunal's decision, this other Contracting Party may adopt proportionate compensatory measures within the framework of the Agreement or of any other bilateral agreement in the fields related to the internal market in which Switzerland participates (hereinafter referred to as "compensatory measures") in order to remedy a potential imbalance. It shall notify the Contracting Party that has been found by the arbitral tribunal not to have complied with the Agreement of the compensatory measures, which shall be specified in the notification. Those compensatory measures shall take effect three months from the date of this notification.
2. If, within one month from the date of the notification of the intended compensatory measures, the Joint Committee has not taken a decision to suspend, amend or annul those compensatory measures, either Contracting Party may submit to arbitration the question of the proportionality of those compensatory measures, in accordance with the Appendix.
3. The arbitral tribunal shall decide within the time limits laid down in Article III.8(4) of the Appendix.
4. Compensatory measures shall not have retroactive effect. In particular, the rights and obligations already acquired by individuals and economic operators before the compensatory measures take effect shall be preserved.

ARTICLE 12

Cooperation between jurisdictions

1. To promote the homogeneous interpretation, the Swiss Federal Supreme Court and the Court of Justice of the European Union shall agree on a dialogue and the modalities thereof.
2. Switzerland shall have the right to lodge statements of case or written observations with the Court of Justice of the European Union where a court of a Member State of the Union refers to the Court of Justice of the European Union a question concerning the interpretation of the Agreement or of a provision of a legal act of the Union referred to therein for a preliminary ruling.

CHAPTER 4

For that purpose, the figures for GDP at market prices of the Contracting Parties shall be the latest such figures available as of 1 January of the year in which the annual payment is made as provided by the Statistical Office of the European Union, with due regard to the Agreement between the European Community and the Swiss Confederation on cooperation in the field of statistics, done at Luxembourg on 26 October 2004. If that agreement ceases to apply, the GDP of Switzerland shall be the one established on the basis of data provided by the Organisation for Economic Co-operation and Development.

6. The operational contribution for each Union agency shall be calculated by applying the contribution key to its annual voted budget inscribed on the relevant Union budget subsidy line(s) of the year in question, taking into account for each agency any adjusted operational contribution as defined in Article 1 of the Annex.

The operational contribution for the information systems and other activities shall be calculated by applying the contribution key to the relevant budget of the year in question as set out in documents implementing the budget, such as work programmes or contracts.

All reference amounts shall be based on commitment appropriations.

7. The annual participation fee shall be 4 % of the annual operational contribution as calculated in accordance with paragraphs 5 and 6.

8. The Commission shall provide Switzerland with adequate information in relation to the calculation of its financial contribution. That information shall be provided having due regard to the Union's confidentiality and data protection rules.

9. All financial contributions by Switzerland or payments from the Union, and the calculation of amounts due or to be received, shall be made in euro.

10. Where the entry into force of this Protocol does not coincide with the beginning of a calendar year, Switzerland's operational contribution for the year in question shall be subject to adjustment, according to the methodology and terms of payment defined in Article 5 of the Annex.

11. Detailed provisions for the application of this Article are set out in the Annex.

In any event, the arbitral tribunal may allow a preliminary objection made after the time limit laid down has elapsed if it believes that the delay was for a valid reason.

3. Each party may send a reasoned request to the arbitral tribunal to make a referral to the Court of Justice of the European Union. The arbitral tribunal shall reject such a request if it considers the conditions for a referral to the Court of Justice of the European Union referred to in paragraph 1 not to be met.  - (b) the arbitral tribunal considers that, pending its final decision, the party requesting the interim measures would suffer serious and irreparable harm absent the suspension of the compensatory measures; and
 - (c) the harm caused to the party requesting the interim measures by the immediate application of the contested compensatory measures outweighs the interest in the immediate and effective application of those measures.
5. The suspension of proceedings referred to in the second subparagraph of Article III.9(2) shall not apply in proceedings pursuant to this Article.
6. A decision taken by the arbitral tribunal in accordance with paragraph 4 shall have only an interim effect and shall be without prejudice to the decision of the arbitral tribunal on the substance of the case.

8. For the avoidance of doubt, for the purposes of this Article, it is understood that, in considering the respective interests of the party requesting the interim measures and the other party, the arbitral tribunal shall take into account those of the individuals and economic operators of the parties, but that consideration shall not amount to granting any standing to such individuals or economic operators before the arbitral tribunal.

If, within the time limit set by this Appendix or by the arbitral tribunal, without showing sufficient cause, the defendant has not submitted its response to the notice of arbitration or its statement of defence, the arbitral tribunal shall order the continuation of the proceedings, without considering that default of itself to constitute acceptance of the applicant's allegations.
